## **ATS Communications Selected to Attend Technology Assurance Group's Annual Convention**

Redding, CA— February 26, 2018 – ATS Communications, a leading managed technology services provider, announced today that the company has been selected to attend Technology Assurance Group's 18th Annual Convention in San Diego, California on April 28th through May 2nd. TAG is an organization of managed technology services providers (MTSPs) in North America representing \$350 million in products and services. The focus of the convention is enhancing the customer experience. An impressive lineup of CEOs, futurists, tech experts, professors, researchers, authors and speakers will share valuable information on this very important theme.

"It is an honor to be selected to attend the industry's most popular event and share our unique approach to the customer experience with other like minded MTSPs from across North America," stated Sanford Gladding, President of ATS Communications. "It gives us a chance for leaders to be amongst other leaders and the creativity and innovation that emerges from that type of environment is always invigorating. As a company, we're constantly researching new ways to serve our customers and being around

other CEOs who are dedicated to the same exceptionally high levels of service always helps us gain new ideas to improve our customers' experience."

The convention will showcase world renowned customer experience keynote speakers and authors like Shep Hyken, Dr. Jeane Twenge, and Jason Young. These experts will enlighten attendees on how to amaze every customer everytime, leverage the talents of the millennial and iGen generations to deliver a phenomenal customer experience, and highlight ways to create a customer centric culture to develop the ideal customer relationship.

"It's important for us to always be one step ahead," reiterated Mr. Gladding. "We consider it our obligation to constantly be educating ourselves and discovering new solutions. That's why we invest in events like these, they give us great ideas, excellent opportunities to collaborate and it helps us maintain our leadership position in our industry."

### **About ATS Communications**

ATS is a technology solutions provider that partners with businesses to implement

the latest enterprise networking and IT infrastructure, unified communications, cyber-security, business continuity, video surveillance and cloud infrastructure. These products and services are delivered as a proactive managed service model providing peace of mind that all critical business systems meet expectations of high availability, security and optimization. With expertise on a wide range of voice and data products, ATS Communications is a business' complete voice and data partner. Their services match the needs of small and medium size enterprises with optimized technology that provide best practice solutions which creates a competitive advantage and makes a positive impact to the client's bottom line. With over 40 years of experience, ATS has gained an excellent reputation for designing, implementing and proactively supporting solutions that focus on converging voice and data applications and has been recognized for outstanding performance by several of the industry's top manufacturers. These credentials have allowed ATS to grow and partner with businesses throughout Northern California and across the United States. ATS has three California offices located in Concord,

Sacramento and Redding. For more information, call their corporate office in Concord at (925) 602-1500 or visit [www.atscommunications.com](http://www.atscommunications.com).
