ATS Receives Managed IT Industry's Top Award

*Technology Assurance Group
Recognizes ATS Communications
as the Elite Provider at their 22nd
Annual Convention*

CONCORD, CA — April 17, 2023 —
ATS, a leading managed security and
IT services provider, announced today
that the company received Technology
Assurance Group's top award at the
association's 22nd Annual Convention
event held in Charleston, SC.

Technology Assurance Group (TAG),
an organization of leading managed
technology services providers in the
United States and Canada representing
\$800 million in annual products and
services, selected ATS as the winner of
the "Performance Excellence Award"
for exceptional economic performance
and superior customer satisfaction.
ATS was highlighted as a premier
provider during a prestigious awards
ceremony attended by TAG's Member
companies and leading technology
manufacturers.

TAG's highly sought-after
Performance Excellence Award is
given annually and based on overall
financial performance, customer
satisfaction, and the ability to provide
customers with cost-effective
technological solutions. "In 2022,
ATS experienced phenomenal growth
that propelled them past the best
companies in the industry," said Brian
Suerth, President of Technology
Assurance Group. "ATS's ability to
provide leading-edge cybersecurity and
IT solutions, that increase their clients'
performance and productivity, has
fueled the company's overall success.
In addition to offering industry-leading
technology solutions, they maintain a

highly talented team of professionals
that deliver world-class technical
services. ATS is an exceptional
Member of TAG; one that is dedicated
to applying best business practices that
continually improve their organization.
It was our privilege to showcase such a
fine company at our annual event."

Maggie Tristan, Chief
Financial Officer and co-owner of
ATS, accepted the award for the
company. "It's great to be recognized
by TAG for our performance," said
Maggie. "ATS has continually worked
at refining business processes and
providing customer-focused innovation
at all levels of our operations. We
attribute much of our success to the
many benefits that we receive from
being a part of TAG. Our membership
enables us to quickly adopt new ways
of doing business that benefits both our
customers and employees."

ABOUT ATS COMMUNICATIONS

ATS is an industry awarded and
respected managed technology
solutions provider that partners with
businesses to implement the latest
enterprise IT networking and
infrastructure, unified communications,
cyber-security, business continuity,
video surveillance and cloud
technologies. These products and
services are delivered as a proactive
managed service model following our
core values resulting in peace of mind
that all critical business systems meet
expectations of high availability,
security, and optimization. With
expertise on a wide range of technical
offerings, ATS is a business' complete
technology partner. Our services
match the needs of small and medium-
sized enterprises with optimized

technology that provides best-practice
solutions which creates a competitive
advantage and makes a positive impact
for the client's bottom line. With over
45 years of experience, ATS has
gained an excellent reputation for
designing, implementing, and
proactively supporting solutions that
focus on converging applications
allowing the company to grow and
partner with businesses throughout
Northern California and across the
United States. ATS has three
California offices located in Concord,
Sacramento, and Redding. For more
information, call their corporate office
in Concord at (925) 602-1500 or visit
